

Alexandria Figure Skating Club's
VOLUNTEER & FUNDRAISING PROGRAM – 2016-2017

An organization cannot run by one person alone, but by many hands which are called volunteers to be successful and to help build organizational strength!

While we, the AFSC, do not like to enforce a mandatory volunteer and fundraising program; we are encouraging involvement from our members as a personal choice; and all members should see the value in fundraising to keep our costs down to your skaters.

Volunteering will be kept to a minimum or as much as you would like to help! If you participate in something, we will ask that you volunteer when these activities are held. Jobs will be designated as they are announced.

- *Holiday Exhibition - Will be done.
- *Battle of the Blades Competition
- *Annual Spring Ice Revue
- *Awake the Grapes 10K/5K Run at the Carlos Creek Winery

Fundraising that will require everyone's participation this year include or you have the option of buying-out which is included on your registration form. If you have more than one skater in a family, the 2nd skater is half the cost.

- *Fall Fundraiser - TBD - DONE
- *Cash Raffle Fundraiser - Winter/Spring

Other volunteer opportunities:

- *Board Member - assists in planning & promoting the activities of the club.
- *Selling TV Monitor Ad Spots or Setting up the monitor information
- *Grant Writing
- *Skate Rental Program
- *Merchandise
- *Typing in skater data for mailing lists, etc.
- *Ice Monitoring - for the private skaters parents only
- *Advertising

Please add your name and best contact information along with the area that you would like to help in or if you have an expertise in something that can help us, do let us know that too. If you are already volunteering, we thank you and would like you to list what you will continue to do.
