

Annual Ice Review

"Broadway Bound"

**Show Dates: April 2 & 3,
2022**

Registration dates: Now - December 1st, 2021

The ANNUAL ICE REVIEW is the **highlight** of the skater's season! This year's theme will be "Broadway Bound" which will include music from various play productions ranging from Hamilton to Newsies! We will be including our Dad & Daughter number again this year. We don't offer this every year, so make sure to take advantage of this opportunity. Costumes need to be ordered the beginning of December to ensure they will arrive in time for pictures and the show. **ALL** skaters, pre-K through 12th grade who skate during the fall and/or winter sessions, are welcome and encouraged to register for the show, **INCLUDING** those skaters who are learning to skate for hockey!

REGISTRATION & MEASUREMENTS: This year registration will be **completely online**. Please use the following link: www.alexandriafigureskating.org/registration/. Before registering, please have a coach or a board member measure your skater using the attached measurement sheet.

FEES/COST: There will be a **\$50.00 deposit per skater** due at the time of registration. The rest of the payment will be due before picking up your costume in March. The fees include: costume, all ice times, and coaching fees. Deposits are non-refundable. These fees **do not** include: costume, ice time, or coach fees for **features or soloist**.

REQUIREMENTS: To be eligible to skate in the show, skaters must skate the AFSC Fall session and/or the Winter session. This requirement is for both private and class skaters.

GROUPS: All skaters will be placed in their **current skating level** as of the sign-up date.

DISCOUNTS: 2nd Skater Discounts are available. If you have more than one skater in the show the skater at the lower skating level will receive 50% off their main group number fee.

2nd NUMBER: We will be offering a 2nd number for all levels, so your skater(s) will have the opportunity to skate in the show twice! The kids really enjoy this as family & friends can see them on the ice more than once. The fee for this is only an additional \$80 for Pre-Freeskate-

Pre-Preliminary & Up. The Basic 1-Basic 6 fee for the extra number is \$40 that includes a shirt and club skirt. The club skirt will be returned after the 2nd show.

DAD & DAUGHTER NUMBER: If you have interest in the Dad & Daughter number please sign up on your skater's form. The cost is only \$50 and \$20 per additional skater. Dads and Daughters will provide their own costumes; shirts will be provided for the dads. No skating experience required! Your skaters would love to skate with you!

PICTURES: Pictures for the programs will be in costume. When you receive your costume, it will include a "how to" for costume, hair, and make-up. These are very useful so your skater looks the best they can for pictures and the show. A picture date will be announced at a later date.

VOLUNTEERS: Volunteers are needed to make the show happen!! We will require volunteers in the following areas: Merchandise, Flowers, Props, Lighting, Set Up, Take Down, Room Parents, and Ticket Sales. Please let us know what area you would like to volunteer your time for! Sign-up will be available closer to the show.

Parent Volunteer Coordinator is Tessa Dutcher.

SHOW PRACTICE: A show practice schedule will be given out closer to show time. Show practices will begin after the Winter Session has ended (typically in March).

The show will be an on-going work in progress all year. If you have any questions please do not hesitate to ask! 😊

Check for updates on our website and Facebook page!
