

ANNUAL ICE REVIEW 2023

“90’s- It’s All That”

Show Dates: March 25 & 26, 2023

Registration deadline: **November 14th, 2022**

The ANNUAL ICE REVIEW is the **highlight** of the skater's season! This year's theme will be “90’s- It’s All That” which will include hits from the 90’s ranging from Ace of Base to Backstreet Boys! We will be including our Dad & Daughter number again this year. With

the show being earlier this year to accommodate the RCC Expansion Project, registrations will not be accepted beyond the deadline**. **ALL** skaters, pre-K through 12th grade who skate during the fall and/or winter sessions, are welcome and encouraged to register for the show, INCLUDING those skaters who are learning to skate for hockey!

**We will be holding a separate registration for FIRST TIME skaters entering winter group lessons to participate in one number.

REGISTRATION & MEASUREMENTS: Registration is **completely online**. Please use the following link: www.alexandriafigureskating.org/registration/. Before registering, please have a coach or a board member measure your skater using the attached measurement sheet.

FEES/COST: There will be a **\$50.00 deposit per skater** due at the time of registration. The rest of the payment will be due before picking up your costume. Costume pick-up is February 6, 2023. The fees include: costume, all ice times, and coaching fees. Deposits are non-refundable. These fees do not include: costume, ice time, or coach fees for **features or soloist**. Skating tights are available for purchase and are an additional cost. You may notice an increase in registration from previous years. This is directly due to increased cost of costumes, ice and vendors. *An individual fundraising opportunity to sell cake pans and custom tumblers will be available to help offset these costs.*

REQUIREMENTS: To be eligible to skate in the show, skaters must skate the AFSC Fall session and/or the Winter session. This requirement is for both private and class skaters.

GROUPS: All skaters will be placed in their **current skating level** as of the sign-up date.

DISCOUNTS: 2nd Skater Discounts are available. If you have more than one skater in the show the skater at the lower skating level will receive 50% off their main group number fee.

2nd NUMBER: We will be offering a 2nd number for all levels, so your skater(s) will have the opportunity to skate in the show twice! The kids really enjoy this as family & friends can see them on the ice more than once. The fee for this is an additional \$40- \$100 for each group. The Learn to Skate (LTS) Basic 1-Basic 4 fee for the extra number is \$60 which includes a top and club skirt. The club skirt will be returned after the 2nd show.

DAD & DAUGHTER NUMBER: If you have interest in the Dad & Daughter number please sign up on your skater's form. The cost is only \$50 and \$20 per additional skater. Dads and Daughters will provide their own costumes; shirts will be provided for the dads. No skating experience required! Your skaters would love to skate with you!

PICTURES: Pictures will be February 14th & 15th, 2023 at Photo Magic in Alexandria. Pictures for the programs will be in costume. When you receive your costume, it will include a "how to" for costume, hair, and make-up. These are very useful so your skater looks the best they can for pictures and the show.

VOLUNTEERS: Volunteers are needed to make the show happen!! We will require volunteers from each family to help in the following areas; Merchandise/Flowers, Props, Spot Lights, Set Up, Take Down, Room Parents, and Ticket Sales. Please let us know what area you would like to volunteer your time for! Sign-up will be available closer to the show.

*Parent Volunteer Coordinator is Tessa Dutcher (320-460-0462).

SHOW PRACTICE: A show practice schedule will be given out closer to show time. Please keep in mind that everything is pushed earlier this year and practices may begin in February. Attendance is important and unexcused and/or multiple absences may cost you your place in the show.

The show will be an on-going work in progress all year. If you have any questions please do not hesitate to ask! ☺
