

GUIDELINES FOR AFSC SPRING SHOW SOLOS, FEATURES, ETC

The following criteria will be used to determine whether skaters will be offered a solo, feature or specialty number in the ASFC Spring Ice Revue:

1. The skater must be a current USFS member in good standing with the AFSC.
2. The skater must be currently and actively working toward his or her next applicable skating level, unless the skater demonstrated that extenuating circumstances exist.
3. The skater requesting a solo must register for at least 3 hours of AFSC private ice during the Fall, Winter and Early Spring (October – April) sessions in preparation for the show. This date in October is determined by the Fall ice schedule. NOTE: Punch cards and classes DO NOT count towards your hours.
4. At a minimum, a skater wishing to perform a solo must be at the **Pre-Bronze Level**. Pre-Bronze level requires the skater to pass **BOTH** their skating skills test and singles test at a USFS test session before January 1st. It is the skater's responsibility to pay for coaching fees and costumes for the show.
5. In the event there are **six** or more skaters eligible for a solo, the skaters will be chosen by seniority, level, ice time skated, and performance skill. If a skater previously performed a solo in the prior year's show, they will maintain solo status.
6. Graduating high school seniors, that are an AFSC member in good standing, will be offered an option to skate in a "Senior" number. The direction of this number will be determined by the show director(s) and graduating senior(s). It is the skaters' responsibility to pay for coaching fees and costumes for the show. NOTE: Graduating high school seniors are defined as AFSC members that have been continually active with the club for their sophomore-senior years or, if less than this time frame, have relocated to the Alexandria area. They must register for at least 2 hours of AFSC private ice during the Fall, Winter and Early Spring (October – April) sessions in preparation for the show.
7. The Skater requesting a feature must register for at least 2 hours of AFSC private ice during the Fall, Winter and Early Spring (October – April) sessions in preparation for the show. This date in October is determined by the Fall ice schedule. NOTE: Punch cards and classes DO NOT count towards your hours.
8. At a minimum, a skater wishing to perform in a feature group number must be at the **Preliminary Level**. Preliminary level requires the skater to pass **BOTH** their skating skills and singles test at a USFS test session **before** the show sign-up deadline. It is the skater's responsibility to pay for coaching fees and costumes for the show. Maximum number of feature skaters will be determined by show chairs.
9. These guidelines will be reviewed annually, and the Board of Directors, Head Coach, and Show Chairs.

The Head Coach and Show Chairs reserve the right to modify them at any time, in a manner that is deemed appropriate.
