

ANNUAL ICE REVIEW 2024

“With A Little Help From My Friends”

Show Dates: April 6 & 7, 2024

Registration deadline: **November 17th, 2023**

(Registration opens October 23, 2023)

The ANNUAL ICE REVIEW is the **highlight** of the skater's season! This year's theme, "With A Little Help From My Friends", will include songs from The Beatles – both covers and originals spanning from the 60's to now!

ALL skaters, pre-K through 12th grade who skate during the fall and/or winter sessions, are welcome and encouraged to register for the show, INCLUDING those skaters who are learning to skate for hockey! We will be including our Dad & Daughter number again this year. **The November 17th, 2023 registration deadline is firm so we can get costumes ordered. Late registrations will not be accepted**.**

**We will be holding a separate registration in January for FIRST TIME skaters ONLY (LTS Basic 1-5) entering winter group lessons to participate in one number.

REGISTRATION & MEASUREMENTS: Registration is **completely online**. Please use the following link: www.alexandriafigureskating.org/registration/. Before registering, please have a coach or a board member measure your skater using the attached measurement sheet. You will use that sheet to enter sizes into GoMotion for costume ordering (Member tab > Sizing tab > enter values).

FEES/COST: There will be a **\$60.00-\$70.00 deposit per skater** due at the time of registration. Deposits are non-refundable. The rest of the payment will be due before picking up your costume. Costume pick-up is February 5, 2024 (or earlier depending on group costume arrival). You may also pay in full at registration or pay your balance before February 5. The fees include: costume, all ice times, and coaching fees. These fees do not include: costume, ice time, or coach fees for **features or soloist**. *Skating tights are required and available for purchase at the skating office for an additional cost.*

REQUIREMENTS: To be eligible to skate in the show, skaters must skate the AFSC Fall session and/or the Winter session. This requirement is for both private and class skaters.

GROUPS: All skaters will be placed in their **current skating level** as of the sign-up date.

DISCOUNTS: 2nd Skater Discounts are available. If you have more than one skater in the show the skater at the lower skating level will receive 50% off their main group number

fee. Skaters need to both be on the same payment plan in order to get the 50% off 2nd Skater Discount.

2nd NUMBER: We will be offering a 2nd number for all levels, so your skater(s) will have the opportunity to skate in the show twice! The kids really enjoy this as family & friends can see them on the ice more than once. The Learn to Skate (LTS) Basic 1-Basic 5 extra number will include a top and club skirt. The club skirt will be returned after the 2nd show.

DAD & DAUGHTER NUMBER: If you have interest in the Dad & Daughter number please sign up on your skater's form. The cost is only \$50 and \$20 per additional skater. Dads and Daughters will provide their own costumes; shirts will be provided for the dads. No skating experience required! Your skaters would love to skate with you!

PICTURES: Pictures will be February 20th, 2024 at Photo Magic in Alexandria. Pictures for the programs will be in costume. When you receive your costume, it will include a "how to" for costume, hair, and make-up. These are very useful so your skater looks the best they can for pictures and the show. We will provide a picture taking schedule and order forms closer to the date.

VOLUNTEERS: Volunteers are needed to make the show happen!! **We will require volunteers from each family to help in the following areas; Room Parents, Ticket Sales, Merchandise/Flowers/Chuck-a-Duck Sales, Spot Lights, Props, Set Up and Take Down.** Please let us know what area you would like to volunteer your time for! A sign-up binder will be available closer to the show.

SHOW PRACTICE: A show practice schedule will be given out closer to show time. Practices traditionally start in March after the end of the Winter Session on our normal Sunday, Monday and Thursday skating nights. We will also have a dress rehearsal on Friday, April 5, 2024 in addition to the shows on April 6th & 7th. **Attendance is important and unexcused and/or multiple absences may cost you your place in the show.**

The show will be an on-going work in progress all year. If you have any questions please do not hesitate to ask! ☺
