It is very important that you are at least 20 min early (or more as night progresses)

If we are running ahead of schedule we WILL keep going to avoid taking photos super late. Arrive with your skater's skates (with labeled hard guards), tights, costumes, and make-up all on & ready to get their pictures taken at the listed start time. If everyone is on time and ready to go, pictures will be a breeze!

Space is extremely limited, so if you have a costume change please bring the bare minimum along to the studio. Changing pods will be available for those with multiple numbers. Parents you will be asked to wait in the main hallway or in your vehicles if there is not enough space. The photographers and Coaches Lisa will make sure your child is in the right spot and smiling! Pictures are an exciting event and we cannot wait to see all of your beautiful smiling faces 😊

Reference the costume instruction sheet for hair and make-up instructions.
