

## **AFSC Spring 2026 Ice Show - Costume Instructions**

We are so excited to have you join us in our show this year. It's our favorite part of the year and we hope you'll agree.

---

- 1) Have your skater try on their costume immediately. Please report any manufacturing errors within 1-2 days to Lisa Olson (763-234-8721) using the QR code below.

- 2) Store the costumes in the garment bag somewhere where they will not be touched until pictures/show time. Most costumes will require steaming/gentle ironing prior to pictures/shows. **It is your responsibility to keep the costume in pristine condition for pictures and the show.**
- 3) In the back of the garment bag is a small zipper pouch. In there you'll find any accessories that go with the costumes, do not lose these, there are no replacements.
- 4) Pictures will be taken the evening of February 11th, 2026. Specific picture times will be announced as we get closer, please make sure that your skater's hair and accessories are done according to directions.
- 5) Clean and hole free tights are required for pictures and the shows. These can be purchased from the club, we recommend having a back up pair in case of snags/runs/holes.

**Thank you!**

Lisa Olson, Show Director
