Join us as we **explore a world of endless possibilities on ice!**

WHO CAN PARTICIPATE
All skaters who skate during the AFSC fall session and/or winter sessions are welcome and encouraged to register — **including Adults and Learn to Skate participants who skate for hockey!**

REGISTRATION DEADLINE
Thursday, November 12, 2026 (This deadline is firm.)

REGISTRATION & MEASUREMENTS
Before registering, please have us measure your skater, or measure them yourself using the measurement sheet. The club offers sizing leotards and assistance as needed. Please see a board member or coach with questions. You will use this sheet to enter sizes into GoMotion for costume ordering (Member tab > Sizing tab > enter values).

FEES/COST
There will be a **$75.00 deposit per skater** due at the time of registration. Deposits are non-refundable. You may also pay in full at time of registration. Costume pick-up will happen as orders arrive, please keep an eye out for communications on GoMotion. The fees include: costume, all ice times, and coaching fees. Skating tights are required and available for purchase at the skating office for an additional cost. These fees do not include: costume, ice time, or coach fees for **features or soloist**.

DISCOUNTS
First-time skater discounts and second & third skater discounts are available! If you have more than one skater in the show, the skater at the **lower skating level** will receive **50% off their main group number fee.** Skaters must both be on the **same payment plan** in order to receive the 50% off second skater discount.

SECOND NUMBER
We will be offering a 2nd costumed number for all levels Basic 1 and up, so your skater(s) will have the opportunity to skate in the show twice! The kids really enjoy this as family & friends can see them on the ice more than once.

PICTURES
Pictures are tentatively set for **Wednesday, February 17th, 2027 at Photo Magic in Alexandria**. Pictures for the programs will be in costume. When you receive your costume, it will include a "how to" for costume, hair, and make-up. These are very useful so your skater looks the best they can for pictures and the show. We will provide a picture-taking date confirmation, schedule, and order forms closer to the date. **If you cannot attend picture night please make sure to let us know.**

VOLUNTEERS
Volunteers are needed to make the show happen — and you don't have to pay admission for the show you work! We require volunteers from each family to help in the following areas: Room Parents, Ticket Sales, Merchandise/Flowers/Chuck-a-Duck Sales, Spotlights, Props, Set-Up, and Take-Down. A sign-up will be available closer to the show.

SHOW PRACTICE & DATES
A show practice schedule will be given out closer to show time. Practices traditionally start in **late February or early March** after the end of the Winter Session on our normal Sunday, Monday, and Thursday skating nights. We will also have a **dress rehearsal on Friday, April 2nd, 2027**, in addition to the **shows on April 3rd & 4th. Attendance is important**, and unexcused and/or multiple absences may cost you your place in the show. NO REFUNDS.

SHOW UPDATES & CONTACT INFORMATION
The show will be an ongoing work in progress throughout the year. Please check the **website** and **GoMotion** for updates and alerts.

Things to keep an eye out for moving forward– costume distribution, picture night confirmations and schedule, volunteer sign-up, sponsorship opportunities, practice schedule, and more!
